

## Willis ISD Charge Policy

August, 2015

Parents are strongly encouraged to continually monitor their child's meal account balance. When a student's meal account is exhausted, the student will be allowed to continue purchasing full meals only (not a la carte items) up to -\$5.00 in Elementary and -\$3.00 in Secondary.

Payments on student accounts may be made in the school cafeteria daily before school and during meal service times or on-line at [www.lunchmoneynow.com/lmnwil](http://www.lunchmoneynow.com/lmnwil) . You can register for lunch money now by going to the Willis ISD website.

Once a student's account reaches the charge limit the student will receive an alternate breakfast and/or lunch.

Child Nutrition Services will notify parents/ guardians when their child's account is exhausted by sending charge notices home with students. The lunch money now system also provides an option to receive low balance and/or negative balance notices via e-mail. Lunch money now is a great communication resource to inform you of your child's account balance for no charge.

There is no charging of adult meals.
